College Knowledge Base — Dr. G. R. Damodaran College of Science (Autonomous), Coimbatore

Purpose: This document is designed as a knowledge source for the GRD Edge RAG system. It contains factual information gathered from the official Dr. G.R. Damodaran College of Science website and official college documents. Information such as fees, admission dates, timetables and other time-sensitive details should be refreshed from the official website before production use.

1. College Overview

- Dr. G. R. Damodaran College of Science (Autonomous) is affiliated to Bharathiar University and recognized by the University Grants Commission (UGC). The college was established in 1988.
- The official college website states that the institution offers undergraduate, postgraduate and research programmes in areas including management, computer science and information technology, biotechnology, visual and mass communication, commerce and international business, Tamil literature and psychology.
- The college states that it received re-accreditation at the A+ grade level by NAAC and has ISO 9001:2015 certification. The college has autonomy from the UGC, enabling it to frame its own curricula and evaluation systems.

2. Mission and Development

- The college was established in response to changing educational and technological needs, with an emphasis on career-oriented education in emerging fields.
- The official mission-and-vision page describes the institution's growth from 27 students in two undergraduate courses in 1988 to more than 4,220 students across undergraduate, postgraduate and research programmes in the information published on that page.

3. Departments

- Department of Computer Science
- School of Commerce and International Business
- GRD Institute of Management (Department of Management Science)
- Department of Languages
- Department of Communication
- Department of Psychology
- Department of English
- Department of Biotechnology

- Ph.D. in Computer Science
- Ph.D. in Biotechnology
- Ph.D. in Communication
- Ph.D. in Tamil

8. Admissions

- UG admissions generally commence after the Tamil Nadu +2 Higher Secondary results, according to the official admission information page.
- PG admissions generally begin after undergraduate degree results. The college advises candidates from other states to contact the college in advance.
- Admissions to MCA and MBA involve an entrance-test process followed by group discussion and/or interview; the official page notes that MAT scores are considered for MBA.
- An entrance test for M.Sc. Biotechnology is generally conducted at the college.
- Admission schedules and requirements can change. GRD Edge should direct users to the latest official admission notice when the question concerns a current admission cycle.

9. Admission Information from Official Prospectus

- The official prospectus states that undergraduate admissions are based on merit using +1/+2 marks.
- The prospectus describes application procedures and application-form charges for the referenced prospectus year. Because these charges and dates are time-sensitive, GRD Edge should not present them as current unless the latest prospectus confirms them.

10. Facilities and Student Information

- The official prospectus describes a library, computer centres and internet facilities. It states that the library is open from 9:05 a.m. to 4:30 p.m. on days other than Sunday, with Sunday hours listed separately in that prospectus.
- The prospectus also states that around 300 computers, including Apple iMac computers, are available for student use. These facility figures and timings should be refreshed when the college publishes updated information.

11. Examinations and Timetables

- The college website publishes examination timetables and related notices. The current website includes timetable information for 2026 examinations and revaluation notices.
- GRD Edge should treat examination dates, application deadlines and timetable information as dynamic data and use the latest official notice rather than relying on older PDF content.

12. College Rules

- Students are expected to comply with college rules and regulations. The official rules page states that students are permitted to pursue courses, examinations and college/hostel privileges subject to compliance with the applicable rules.
- Semester and examination fees are to be remitted on or before the last date notified by the college, according to the official rules page.

13. Committees and Student Support

- The college website lists committees and bodies including Planning and Evaluation, Grievance Redressal, Students Grievance Redressal Cell, Internal Complaints Committee, Examination Committee, Admission Committee, Library Committee, Students Welfare Committee, Women Harassment Committee, Extra Curricular Activities Committee and Academic Audits Committee.

- What is the college address?
- How can I contact the college?
- Where can I find the latest timetable?
- What facilities are available for students?
- What committees and student-support cells are available?
- What are the college rules?

16. RAG Safety Rule for GRD Edge

- GRD Edge should answer only from retrieved college information when the user asks factual questions about the institution. If the information is missing, outdated, or conflicting, the agent should say that the information could not be verified from its knowledge base and direct the user to the official college website or relevant college office.
- Do not invent fees, admission deadlines, faculty names, phone numbers, course eligibility, exam dates or other institutional facts.
